DE LACY PRIMARY SCHOOL NEWSLETTER

*"Working together as a community to enable all our children to
develop as responsible citizens"*

HEAD OF SCHOOL'S MESSAGE

Dear Parents/Carers,

As we come to the end of a very busy half term I would like to take this opportunity to thank the children for all their hard work and efforts.

At De Lacy we are continuing to strive to improve attendance in order to ensure our children are receiving the support and making both the academic and non academic progress that they deserve. In order to do this we require continued support from all families. Following the half term break we will be inviting parents into school to discuss their child's attendance and how we can help.

Enjoy the half term break. We look forward to seeing you on Tuesday 4th June.

Mrs C Hughes

EYFS

The children in Nursery have been learning Jack and the Beanstalk as a traditional story. This half term they have been growing their own runner beans and this week the children have enjoyed eating beans on toast.

This week Upper Foundation have been re telling the story of Jack and the Beanstalk. We have also enjoyed saying who our favourite character is during circle time.

We have been building things in the outdoor area to protect Jack from the Giant. There has been some fabulous ideas. In maths we have been writing addition number sentences using teen numbers.

Key Stage 1

The children in Year 1 have been working extremely hard to learn all their phonics sounds in preparation for the phonics screening. Keep up the hard work Year 1!

All Year 2 children have really blown our sock off this week! They have performed wonderfully during their SATS week and all children have made progress since the last tests. Well done to all!

Lower Key Stage 2

This week Y3/4 have used descriptive language for 'WANTED' posters about the witch in our class story. We have been learning about line graphs in Maths. We've done a reading comprehension and posters about friendships.

Children from across KS2 have had a great day showcasing their gymnastic talent. We are very proud of the way the children have represented the school.

Upper Key Stage 2

Year 5:

This week in Maths, Year 5 have been learning about different types, lines and measuring a range of angles. We combined our knowledge of these lines and angles with our knowledge of Wassily Kandinsky to create a piece of Mathematical Art.

Year 6:

In Year 6 children have been writing biographies based upon the Swedish climate activist, Greta Thunberg. We have researched her early life as well as her many achievements. Despite her only being 16, she has been nominated for a Nobel Peace Prize. The Year 6 teachers would like to place on record a huge well done to all the children for such hard work and determination this term. We will be busy coordinating our Year 6 Leavers' performance when we return so a little practice of their lines over half term would be very useful!
