

Communication & Language / Literacy

Objectives: Children listen attentively in a range of situations. They listen to stories, accurately anticipating key events and respond to what they hear with relevant comments, questions or actions. They give their attention to what others say and respond appropriately, while engaged in another activity. (CL1:ELG)

Children follow instructions involving several ideas or actions. They answer 'how' and 'why' questions about their experiences and in response to stories or events. (CL2:ELG)

Children express themselves effectively, showing awareness of listeners' needs. They use past, present and future forms accurately when talking about events that have happened or are to happen in the future. They develop their own narratives and explanations by connecting ideas or events. (CL3:ELG)

Children read and understand simple sentences. They use phonic knowledge to decode regular words and read them aloud accurately. They also read some common irregular words. They demonstrate understanding when talking with others about what they have read. (L1;ELG)

Children use their phonic knowledge to write words in ways which match their spoken sounds. They also write some irregular common words. They write simple sentences which can be read by themselves and others. Some words are spelt correctly and others are phonetically plausible. (L2;ELG)

Activities: Sharing and discussing stories, including Owl Babies, Kipper's Birthday, Stickman, father Christmas needs a wee, role play real life situations, recognising initial sounds, matching pictures to initial sounds, build pencil control and handwriting skills, sharing information books about Bonfire night, Divali, birthdays and Christmas, working towards a nativity performance.

Physical Development

Objectives: Children show good control and co-ordination in large and small movements. They move confidently in a range of ways, safely negotiating space. They handle equipment and tools effectively, including pencils for writing. (PD1:ELG)

Children know the importance for good health of physical exercise, and a healthy diet, and talk about ways to keep healthy and safe. They manage their own basic hygiene and personal needs successfully, including dressing and going to the toilet independently. (PD2:ELG)

Activities: Developing motor control skills using pencils and paintbrushes, continue forming letters and numbers with different resources, build independence dressing and undressing for P.E and to put on role play outfits, cutting and sticking to produce creative work based around celebrations.

EYFS

Celebrations & Festivals

Autumn 2 2019

Mathematics

Objectives: Children count reliably with numbers from one to 20, place them in order and say which number is one more or one less than a given number. Using quantities and objects, they add and subtract two single-digit numbers and count on or back to find the answer. They solve problems, including doubling, halving and sharing. (M1;ELG)

Children use everyday language to talk about size, weight, capacity, position, distance, time and money to compare quantities and objects and to solve problems. They recognise, create and describe patterns. They explore characteristics of everyday objects and shapes and use mathematical language to describe them. (M2:ELG)

Activities: continue recognising larger numbers, counting more accurately, writing how many there are in a set of objects, using number names in play, singing number songs, counting steps, claps or jumps, constructing with and talking about shapes. Topic links e.g. counting bones, birthday cards, presents etc.

Expressive Arts & Design

Objectives: Children sing songs, make music and dance, and experiment with ways of changing them. They safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function. (EAD1:ELG)

Children use what they have learnt about media and materials in original ways, thinking about uses and purposes. They represent their own ideas, thoughts and feelings through design and technology, art, music, dance, role play and stories. (EAD2;ELG)

Activities: Bonfire and birthday related creative work, making Divali candle pots as a gift, using the computer to paint pictures of fireworks, role play linked to birthdays, Jolly Christmas Postman story, singing nativity related and seasonal songs for our performance, producing cards and calendars.

Understanding the world

Objectives: Children talk about past and present events in their own lives and in the lives of family members. They know that other children don't always enjoy the same things, and are sensitive to this. They know about similarities and differences between themselves and others, and among families, communities and traditions. (UW1:ELG)

Children know about similarities and differences in relation to places, objects, materials and living things. They talk about the features of their own immediate environment and how environments might vary from one another. They make observations of animals and plants and explain why some things occur, and talk about changes. (UW2:ELG)

Children recognise that a range of technology is used in places such as homes and schools. They select and use technology for particular purposes. (UW3:ELG)

Activities: Learn about festivals such as Bonfire night, Divali, birthdays and Christmas, talk about their experiences, make comparisons of themselves and others in terms of how they celebrate, use ipads to produce firework and Christmas pictures, share the Rama & Sita story.

Personal, Social & Emotional Development

Objectives: Children play co-operatively, taking turns with others. They take account of one another's ideas about how to organise their activity. They show sensitivity to others' needs and feelings, and form positive relationships with adults and other children. (PSED1: ELG)

Children are confident to try new activities, and say why they like some activities more than others. They are confident to speak in a familiar group, will talk about their ideas, and will choose the resources they need for their chosen activities. They say when they do or don't need help. (PSED2: ELG)

Children talk about how they and others show feelings, talk about their own and others' behaviour, and its consequences, and know that some behaviour is unacceptable. They work as part of a group or class, and understand and follow the rules. They adjust their behaviour to different situations, and take changes of routine in their stride. (PSED:3 ELG)

Activities: building further friendships, working together to learn songs and words for our performance, sharing and turn taking when playing with others, using class areas with more independence, dressing more independently for outdoors, including, hats, gloves, coat fastenings etc.
