Year 6 SATs

Dear Parents/Carers,

I hope you are well and are looking forward to the special Coronation bank holiday this weekend.

Next week our pupils will be undertaking their National Primary Assessments (known as SATs). Since September, our Year 6 team have been working tirelessly to support and prepare our children so that they are equipped to be successful in these assessments. We are so proud of each and every pupil who has worked hard to improve their individual subject assessments. I appreciate some pupils will be feeling nervous. Regardless of the outcome, I am proud of the journey they have been on.

Whilst we will all undoubtedly enjoy the additional bank holiday this weekend, we please ask that all pupils return promptly to school on Tuesday, fit, healthy and ready to learn. Please can I ask that over the long weekend, we ensure our pupils get plenty of rest, enjoy some light reading and multiplication work and arrive at school on Tuesday for the SATs breakfast, ready to achieve their best.

We appreciate your complete support and understanding as we ensure our pupils are in the best possible condition to achieve their full potential next week.

Kind Regards,

Mr Parkinson and Year 6 Team
