### **SATs Breakfast Club**

Dear Parents/Carers,

As you are aware, every Year 6 child in the country will be completing the Statutory Assessment Tests (SATs). These will be taking place week commencing 13th May 2024.

In order to support your child throughout this important week of SATs assessments, we will be inviting and encouraging children to come into school at 8AM for a breakfast club. During this time, we will be providing all children with either a hot or cold breakfast. This is a great opportunity to talk to friends, relax and unwind, as well as doing a small amount of last-minute revision before the tests.

In addition to coming into school for breakfast club, it is also crucial that the children are mentally ready to complete their assessments. As such, can we please ask that you encourage your children to get as much rest and sleep as possible during this week and try to be understanding that they may be feeling anxious or irritable during the week.

We look forward to welcoming your child into Breakfast Club on Monday 13th May 2024 and, as always, thanks for your continued support.

Kind Regards

Mr McMahon & Mr Beevers
