Christmas Card Designs

Pontefract Civic Society are looking for artists at De Lacy Primary School to create Christmas card designs that will be used for banners around the town's Christmas Tree. Please can we ask your child to be creative over the October holidays and create a Christmas card design. Two of the designs will be chosen to represent the school. Please see rules below from Civic Society for the designs:

- A4 paper - 1cm border.
- Bright Christmas card design.
- Original hand drawn or painted. No collage, no glitter, no computer-designed images, graphics, lettering.
- No branding or copyright items on design.
- The bolder the colours the better for reproduction onto the banner.

If you require a4 paper, please ask and school will provide this. Please make sure all entries are brought into school and handed to the class teacher no later than Wednesday 6th November 2024.

Thank you for your continued support and please get creative!

Yours sincerely

Mr J Parkinson
