Elf Run Event 9th December 2024

Dear Parent/Carer,

As you will know, Pontefract Academies Trust are huge supporters of the Prince of Wales Hospice charity and the support they provide to families in our community. We understand their constant need for fundraising so that their doors can remain open to patients who require palliative care and to families who require further support.

As we have done in previous years, at De Lacy, we shall be completing our very own run to raise money for this charity. This year we will be taking part in the Elf Run. This provides our pupils the opportunity in completing their running challenge in school and to raise sponsorship funds that will be donated to the Hospice. Your child will have received a sponsorship form today to take home to collect any donations for this event. The children will be completing the Elf Run on Monday 9th December 2024 during the school day. Can we please ask that all sponsorship money is brought into school by Friday 13th December so that the donations can be counted and taken to the Hospice before the school term ends.

I'd like to thank you for your continued support for our elf run, we know that the money we raise helps the Hospice continue its fantastic work!

Kind regards

Mr J Parkinson
