Friday 27th September 2024

Harvest Festival 2024

Dear Parent/Carer,

We hope you are all well and are as happy with your child's start to the academic year as we are!

On Friday 4th October our assembly will be focussing on the season of Harvest. At this point in the year, our farming industry are just about concluding their harvesting of crops and preparing the land for the next season. Within schools, this is a special time for us to be thankful for the harvest and the food we can freely eat.

We are asking your child to bring a tin to school on throughout the week commencing Monday 30th September to donate to our Harvest collection. The children will have the opportunity in our assembly to bring their item forward to help create our harvest display. All the tins of food collected will be donated to the Pontefract Foodbank, who will provide families who need support and a helping hand.

Thank you for your continued support and I hope you can help us make this Harvest assembly a special event.

Kind regards,

Mr J Parkinson

Mr J Parkinson
