Dear Parents and Carers,

We are pleased to invite you to an informative talk on **Tuesday, 11th March at 3:30pm** in the school hall, focusing on illegal tobacco and vapes.

Considering the recent announcement regarding the ban on disposable vapes and the proposed Tobacco and Vapes Bill, this session will provide you with clear information on the law, how to identify and report illegal sales, and the health and safeguarding risks involved. We will also share shocking statistics about the scale of the illicit trade and its links to serious organised crime and exploitation.

We are delighted to welcome a representative from West Yorkshire Trading Standards who will be leading the talk and answering any questions you may have.

We hope you can join us for this important session, as we work together to ensure a safer and healthier community for our children.

Kind Regards

Mr Parkinson

Headteacher
